

Conference Partners' membership of IAPCO

It is with great pride and pleasure, we can announce Conference Partners' acceptance as a member of IAPCO (International Association for Professional Congress Organisers). IAPCO is the universally accepted benchmark for quality of the highest order within conference organisation and is the global branding of excellence for the meetings industry.

Entry into membership of IAPCO is by meeting strict criteria and by quality assessment. An IAPCO Professional Conference Organiser (PCO) has achieved a professional standard as judged by their peers and their clients.

Conference Partners' membership of IAPCO demonstrates its commitment and ability to provide organizational services for clients to the highest standard and a unique quality assurance that is recognized universally. Conference Partners is just one of two PCOs in Ireland to be recognized at this level by IAPCO.

Conference Partners as an IAPCO PCO is a testimony to its drive to raise the standard of service here in Ireland, to lend assurance to conference clients both national and international and to ensure that professionalism including timeliness, efficiency, financial responsibility and good management is synonymous with its name, Conference Partners.

IAPCO membership reflects well the vision of Conference Partners which is to support and provide a world class service to our clients. Central to this vision is our assurance of quality, a sentiment echoed in our motto "enhance your reputation by depending on ours", one we have been extolling since our emergence as a leading player in the industry, 11 year ago.
